Leaflets are now available from the Church, with information about the project and how to complete a shoebox. There is a supply of pre-printed shoeboxes available for a 50p donation. Please complete your boxes and bring to Church by the 15th November when they will be dedicated during the service. Boxes can also be made up online; details are given in the leaflets. There are various ways to support this worthwhile cause besides making up a box, donations towards shipping costs, or donating a few items to include in a box. Thank you for once again supporting this cause.

CAN YOU HELP WITH HOLY COMMUNION?

*Please
help?*

This is not an onerous role but a very important one. Can you join the team on a rota basis. HC is usually once a month and we need more volunteers and someone to ensure that we have sufficient supplies and can prepare a rota for the team.
Please contact Karen if you are interested.
