Delighted to announce that Rev Asif is much better and will be returning to work this week. However, please be advised that this is not full time. Asif will be on a phased schedule of six sessions per week and 1 driving day per week to allow him to

continue to recover. He will be concentrating on the three Chelmsford Churches in June whilst Rev Chris Preece overseas the work in the Chelmsford Circuit. There will be lots for Asif to catch up on, but we are asking folk not to overwhelm him – if things

can wait then please be patient and hold back from contacting him. Let's keep him and his family in our prayers during this transition period.
